Immediate telegrams and telephone trunk calls.

Sir,

I am directed to refer to your endorsement No.9188/CB dated May 11, 1949, and to say that as the Prime Minister and Dewan of Mysore have already been authorised to use the priority indication "Immediate" in Raj telegrams and inland telephone trunk calls vide Indian Posts and Telegraphs Department memorandum No.T-124/48 dated March 21, 1949, copy enclosed). The Posts and Telegraphs Department regret that they cannot extend this privilege to you as the list of persons at present authorised to use the various priority indications in telegrams and trunk calls has become very extensive. They further state that the line of communication have considerably improved at present and, therefore, they hope that resort to express and urgent telegrams will meet your requirement.
